# Roadmap

# **DLTX Crowd Sale**

- DLTX crowd sale will start from 16<sup>th</sup> May 2019
- DLTX crowd sale will be performed by IEO — Initial Exchange Offering
- DLTX crowd sale will be introduced on delta exchange with exciting offers to buy DLTX

# IEO — Initial Exchange Offering

- An Initial Exchange Offering, as its name suggests, is conducted on the platform of a cryptocurrency exchange.
- As the token sale is conducted on the exchange's platform, token issuers have to pay a listing fee along with a percentage of the tokens sold during the IEO. In return, the tokens of the crypto start-ups are sold on the exchange's platforms, and their coins are listed after the IEO is over.
- IEO participants do not send contributions to a smart contract, such as governs an ICO. Instead, they have to create an account on the exchange's platform where the IEO is conducted.
