RACHELX TOKEN – THE REVOLUTION OF THE EROTIC INDUSTRY ON BLOCKCHAIN

1. About Us Exploring Megatrends in the Erotic Industry, Properties and Adult Entertainment. The selection of special trends in existing markets and their combination to a new efficiency and to a new ecosystem is our specialization and shows our unique performance.

2. Our Story – Our Vision

2.1 Optimize Existing Structure Identify Trends and Improve with High Performance. There is no doubt that the erotic industry has the longest history. We lead the oldest trade in the world into a pioneering future. The attraction of erotics will give us a secure future. We optimize the trend and achieve higher performance with additional powerful functions in virtual dimensions.

Feel the spirit and the new fine senses in the three levels such as **RachelX Live / RachelX Virtual / RachelX Pure**, enjoy the different ways and dimensions of approaching the RachelX models and create your own perfect world.

With our unique concept, we revolutionize and fill the gap in the field of Adult Entertainment **RachelX Live / RachelX Virtual / RachelX Pure**. Let yourself be inspired, enter the new world and experience the phenomenal virtual feeling - live your dreams, create special interactions, enjoy incredible performances and new sensational experiences! And all that in the real world as well as in the virtual world. **RachelX** is the future.

2.2 RachelX – High-Class Erotic at its Best! Let's Rock the Future and the Trends and Complete the Dimensions of RachelX Live / RachelX Virtual / RachelX Pure Adult Entertainment. To increase our ecosystem we anticipate trends, boost them and rock the future: Every user has the possibility to have fun with the models in different ways: **RachelX Live / RachelX Virtual / RachelX Pure.**

RachelX Live: Get in touch with your model in hot chats and hot cam interaction in **RachelX Hot Manga** with special Hot Manga-style and atmosphere. Or have fun with your model with total surround view 360°-Cam in **RachelX 360° Cam**, wherever you want to look and share your phantasies or arrange a special virtual or pure meeting.

RachelX Virtual: Incorporates the latest technology of Virtual Reality giving you the opportunity to get in virtual soft touch and get fantastic virtual feelings in selectable realities in **RachelX VR**. Live your phantasies and experience phenomenal feelings.

RachelX Pure is the world of **RachelX House:** Meet your lady in real life, enjoy her variety of services, smell her, kiss her, love her and enjoy a splendid time with her. Pure is also available in the future in more diversities and facilities: **RachelX Spa, RachelX Motel +Suites, RachelX Escort, RachelX Lounge+Bar, RachelX Exquisite Dining, RachelX Play, RachelX Shop, RachelX Dolls.**

2.3 Our History Is Our Base It Is Real, Not Only Vision: What You See Is What You Get! 35 years of experience in the business – it is real, not only a vision. What you see is what you get! With an experience of 35 years and a 10-year history of the property in operation at the strategically important location Vienna it is the goal to expand into new virtual dimensions of the different kinds of eroticism.

This means that the successful concept will also be transferred to other qualified locations. The construction with micro-apartments offers excellent space efficiency and is very popular among institutional investors.

Thanks to our experience in modular construction and advanced technologies, we can achieve maximum efficiency in construction costs and time and offer a unique selling point in the design of new **RachelX Houses.**

2.4 Our Solutions Best in Class: RachelX Live/ RachelX Virtual/ RachelX Pure

Live and enjoy all varieties and new dimensions of erotic!

RachelX Live

+ **RachelX Hot Manga:** Chat with your **RachelX Model** in the trendy style of Hot Manga, watch a sexy film of her, view her unique photos or have a hot interaction on cam with her. Special platforms for a special interaction with lots of sexy models will be created and provided. Additionally, we intend to carry out special Erotic-Cosplay-Events and Parties – come disguised!

The logo for RachelX Hot Manga. It features the word "Rachel" in a large, black, sans-serif font. To the left of the "R" is a small black silhouette of a woman in a hot manga style, wearing red high heels. To the right of "Rachel" is a large, red, hand-drawn "X". Below "Rachel" is a red diagonal line that leads into the word "Hot Manga" in a black, sans-serif font.

RachelX

Hot Manga

+ **RachelX 360° Cam:** See new dimensions with your **RachelX Model**. With latest cam technology we arrange special 360° total surround view videos and live-actions, enabling you to individually navigate the cam with your cursor. So having an exceptional and exquisite view wherever you want, not only in one fixed cam position. Special social media channels will be generated with videos and live-actions.

RachelX Virtual Reality

RachelX Virtual Reality

+ **RachelX VR:** Megatrend Virtual Reality – conquer the future with us! Along with advances in technology, virtual reality is seen as the technology of the future and has taken on a significant role in various areas of life. Two areas are identified as the main winners of the virtual reality sphere: gaming and especially the erotic sector. Using that experience we combine our real world in the **RachelX House** with the attractive **RachelX Models** and expand this in the virtual world **RachelX VR** where you can get in touch and meet your girl in the virtual reality and create your own reality. Latest technologies of Virtual Reality in cooperation with the proven and leading erotic virtual reality companies vrXcity/MeMento GmbH, giving you the opportunity to get in virtual soft touch and have fantastic virtual feelings with your **RachelX Model** in selectable realities.

RachelX Pure

+ **RachelX Spa:** Jump into the world of the erotic spa to enjoy marvelous erotic services crowned with the combination of SPA and wellness for all your senses.

3. About "RachelX – High-Class Erotic at its Best!"

3.1 History

"RachelX – High-Class Erotic at its best!" is not only a vision. It is real by now – you can see, touch and feel. And the core is proven and experienced for about 10 years. This means "Laufhaus Rachel" was built in 2008 in modular construction as the most modern house of pleasure in Vienna with a Micro-Apartment structure where models can rent a Micro-Apartment on their own. Additionally, the famous founder of "Laufhaus Rachel", Harald (see his profile with the team), has a proven track-record and experience of 35 years in the business. With this proven base of "Laufhaus Rachel" as the core of our ecosystem "RachelX – High-Class Erotic at its best!" we will anticipate and adapt future trends and integrate successfully in our ecosystem to generate advantages for the users.

3.3 Our Motivated Team

Harald:

With more than 35 years experience in property business and adult entertainment, famous and well known in Vienna's nightlife, also trendsetting with precious design restaurants and new structures in adult entertainment, Harald is very keen on integrating latest developments and technologies in erotic entertainment and to flash up „RachelX' – High Class Erotic at its best!“ to a new star in the erotic industry.

<https://www.linkedin.com/in/harald-hauke-099802144/>

Johannes:

With his studies and additional scientific doctorate in architectural sciences as well as professional positions as chief architect and head of planning combined with professional positions in the financial industry as director of well-known banks, he brings with him the best conditions to develop innovative building and spatial concepts and at the same time with his financial background to develop innovative financial concepts such as the own cryptocurrency RACH.

<https://www.linkedin.com/in/johannes-bankert-b89631124/?originalSubdomain=ch>

Adam:

With his power and ardor as ex-soccer-professional, coached for six years at soccer academy, combined with his economic studies at Vienna's university, he is passionate about new IT-projects, creating new web-shops and hosting RachelX appearance in different social media channels.

<https://www.linkedin.com/in/ádám-perger-0b101787>

Martina:

Her career in catering and gastronomy with managing her own cafe house and additional experience as managing director in a erotic chat line gives her best requirements for organisation in RachelX.

<https://www.linkedin.com/in/tina-forman-b2148810b/>

Strategic Advisors:

Rudi:

Graduated with a degree in Economics from the University of Munich in combination with a positive track record of more than 25 years in investment banking, financial engineering, fund management, institutional advisory, and asset management. With his proven and professional experience as an entrepreneur in the financial industry in designing financial innovations for well-known investment companies, banks, and insurance companies, as well as guiding companies to the stock market, he brings the best requirements and strong enthusiasm to develop RachelX in the IEO / ICO and to a successful company.

<https://www.linkedin.com/in/rudolf-raile-643109189/>

Technical Advisors:

Michael:

With over 20 years of experience in management and marketing, Michael Janzik convinces with his profound knowledge in SEO marketing and graphic design. In various online projects, he has proven his excellent teamwork skills several times. Since 2007 he has been CEO of a leading Swiss manufacturer.

<https://www.linkedin.com/in/michael-janzik-b5391a75/>

Jörg:

With almost 52 years, he has years of experience in the areas of smartphones, PC and Mac computers. As a former owner of web and server hosting company (with more than 1,500 own customers), he brings in-depth knowledge and experience in the areas of online marketing (SEA and SEO), security, hosting and online shops. In the context of various customer orders, extensive knowledge could be collected which now finds its application in different projects. He is a technical consultant in the areas of token programming, implementation, coordination of the marketing strategy and all technical processes.

RachelX

4. Token**4.1 The RACH-token**

Our RACH-token is built on the proven and reliable Ethereum platform as an ERC20-token. This implies fast transactions, low fees, and unlimited growth possibilities. The RACH-token is designed as utility-token. So, the RACH-token (RACH) is a core component of the "RachelX – High-Class Erotic at its best!"-ecosystem and is designed to facilitate a wide variety of operations that make the token an integral part of the ecosystem and the driver for its economy. It is fractional divisible and transferable. And of course, in the future you will be able to use our RachelX Token (RACH) to pay for more and more services in our "RachelX - High-Class Erotic at its best!" ecosystem.

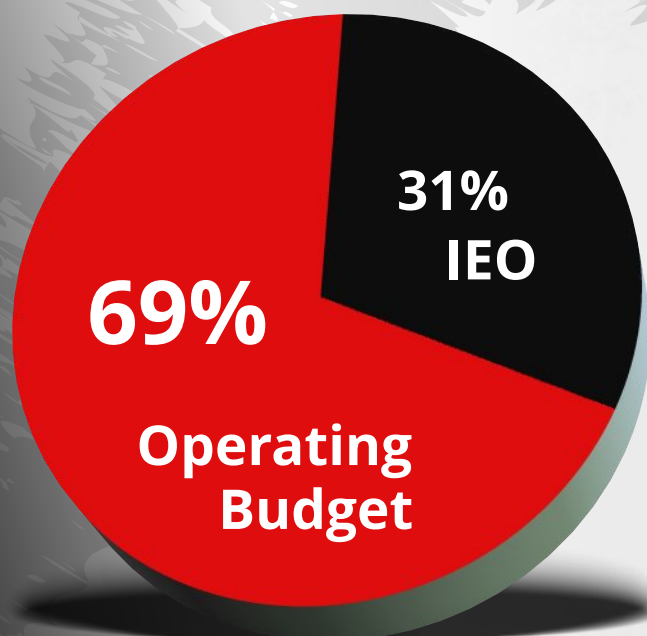

4.2 RACH-Token-Launch

"RachelX - High-Class Erotic at its best!" is an ambitious project aiming to improve and revolutionize the world of erotic. With the **RachelX-utility-token** "RachelX - High-Class Erotic at its best!" is conducting a token sale to allow token holders taking part in the RachelX -ecosystem. As a closed economy "RachelX - High-Class Erotic at its best!" will not release more tokens than the maximum supply. The unsold RachelX tokens are used according to the operating budget scheme.

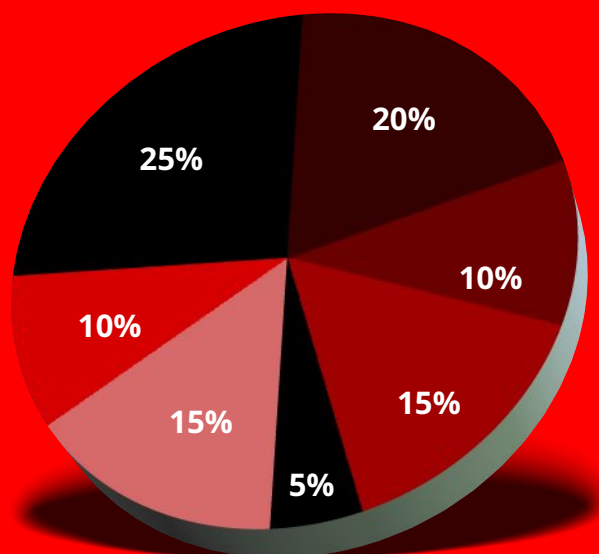

4.3 RACH-Token-Sale: Allocation and Distribution

<i>Ticker Symbol</i>	<i>RACH</i>
<i>Sale Start</i>	<i>30th June 2019</i>
<i>Sale End</i>	<i>End 2019 with the IEO</i>
<i>Maximum supply</i>	<i>8.000.000.000 RachelX Token (RACH) on IEO 376.000 ETH</i>
<i>Sold to public</i>	<i>2.500.000.000 RachelX Token (RACH)</i>
<i>Accepted currencies</i>	<i>ETH</i>
<i>Minimum distribution</i>	<i>1,00 RACH</i>
<i>Family and Friends</i>	<i>1.00 RACH at 0.00003102 ETH ends with the IEO 50.000.000 RachelX Token (RACH) for each token purchased, half a token will be granted as a bonus, resulting in a purchase price of 0.00003102 ETH</i>
<i>Main Sale Stage IEO</i>	<i>1,00 RACH zu 0,000047 ETH open end with 2.500.000.000 RachelX Token (RACH)</i>

4.4 Token Distribution

4.5 Operating Budget

- Parent company for later planning & projects
- Marketing, sales, programming, dealer acquisition and partnerships
- Operation costs
- Legal
- Management / Personnel
- Bounty Program
- Holder (6 months deadline)

4.6 Bounty Program

In the Bounty program, friends of the RachelX token can multiply their tokens. It is possible, for example, to obtain free tokens through simple recommendations of the individual channels. You have this possibility already before the IEO and can start working with your first tokens. Further bonus programs are also planned after the IEO. Just let us surprise you. In addition, from the purchase of a minimum amount of tokens, you will receive a VIP pass that gives you access to and free extras at the RachelX parties. Please visit our VIP Member page: <https://www.rachelx.co.uk/vip-member/>

<https://www.vrxcity.com/>

6. Legal Aspects

The Rachel Token (RACH) is based on a blockchain as a cryptocurrency token, especially as a pure utility token. Based on this, the Rachel Token as a typical utility token and cryptocurrency gives no rights in any assets or properties, no votes and no guarantees in increasing values or profits. Thus, the Rachel Token (RACH) can not be considered as a security or a form of share, and the holder of a Rachel Token (RACH) will not be a shareholder and not be entitled to any dividends, distributions, interests or revenues. Rachel Token (RACH) are intended to be used in the RachelX ecosystem to buy for example services, applications, and subscriptions. This whitepaper referring to the Rachel Token (RACH) is no prospectus with the intention to offer security or any other financial instrument. Consequently, this whitepaper is not examined by a financial authority. The aim of the whitepaper is to give information about the project and developments for better understanding. While RachelX' and relevant companies will strive to follow the roadmap and the strategies shown in this whitepaper or on the ICO/IEO-landing page, Rachel token (RACH) buyers acknowledge and understand that neither RachelX nor any other company can provide any guarantees to the accomplishment and fulfillment of that goals. Any forecasts, figures or calculations shown in this whitepaper or on the ICO/IEO-landing page regard to subjective experiences and expectations about the future.

Be aware that taking part in the pre-sale and the token sale depends in which country you live, have your tax residence in or initiate your order from if buying cryptocurrencies is allowed in your country, prohibited or possible only under special conditions. Please check this.

As with the purchase of any token, the Rachel tokens contain the usual risks. The maximum risk could be the complete loss of all the money.

Although the company intends to list the Rachel token in exchanges, there can't be given any guarantees of listing or trading as the exchanges are external providers.
